

# Earning the public's trust; Activity reports from 3 perspectives “ environment ” “ corporate social responsibility ” and “ economy ”

Being a good corporate citizen means striving to be a valued and respected member of society by contributing to its sustainable growth.

To this end, the Ricoh Group believes in being outstanding in all areas of the environment, the economy, and corporate social responsibility as well as openly communicating its activities.

Starting last year the Ricoh Group began publishing information on its activities in reports written from three different perspectives: the environment, the economy, and corporate social responsibility.

This report provides our shareholders, customers, and other stakeholders with information on our management policies, business performance in fiscal 2005, and financial condition to facilitate a better understanding of what we do and how we work.
