

Consolidated Results for the Year Ended March 31, 2024

May 7, 2024 Ricoh Company, Ltd.

Forward-Looking Statements

The plans, prospects, strategies and other statements, except for historical events mentioned in these materials are forward-looking statements with respect to future events and business results. Those statements were based on the judgment of Ricoh's Directors from available information. Results may differ materially from those projected or implied in such forward-looking statements and from historical trends. Refrain from judgments based only on these statements with respect to future events and business results. The following important factors, without limiting the generality of the foregoing, could affect future results and cause those results to differ materially from those expressed in the forward-looking statements:

- a. General economic conditions and business trends
- b. Exchange rates and fluctuations
- c. Rapid technological innovations
- d. Uncertainty as to Ricoh's ability to continue to design, develop, produce and market products and services that achieve market acceptance in intensely competitive markets

No company's name and/or organization's name used, quoted and/or referenced in this material shall be interpreted as a recommendation and/or endorsement by Ricoh.

This material is not an offer or a solicitation to make investments. Do not rely solely on these materials for your investments, decisions on which are your responsibility.

Note: These materials define fiscal years as:

FY2023 (or fiscal 2023) = Fiscal year ended March 31, 2024, etc.

Change in business category

Effective from the fiscal year ending March 31, 2024, Ricoh recategorized the PFU business and some common expenses from the Other segment into Ricoh Digital Products and Ricoh Digital Services.

Overview of FY2023 Results

Key Points about Performance during Term

Results

Businesses

- Office Services drove double-digit revenue growth
- Performed in line with forecasts presented in Q3

RICOH Digital Products

 Revenues and earnings declined, with profitability improving in H2 on end to adjustments in MFP market inventory and production

RICOH Digital Services

- ✓ Earnings jumped 30%
- ✓ MFP sales improved significantly on market inventory levels but were below target.
- ✓ Delivered steady Office Services growth, mainly in IT services and application services, with recurring revenues up 17% YoY

RICOH Graphic Communications

✓ Notwithstanding restructuring and development asset depreciation, sales and profits were up owing to non-hardware growth and foreign exchange impact

RICOH Industrial Solutions

✓ Thermal business revenues and earnings declined owing to customer inventory adjustments and deteriorating conditions in European and U.S. markets

Shareholder Returns

- Year-end dividend will be ¥18 per share, as planned (¥36 annually)
- Decided in February to establish treasury stock repurchase of ¥30 billion, acquiring ¥7.5 billion in stocks in FY2023

Operating Profit Comparisons

- On sales mix front, Office Services earnings rose as anticipated, but MFP sales and Thermal products performances were below expectations
- ✓ Structural reinforcement measures and impacts of external factors were as expected.
- ✓ Other costs rose on impacts of consolidating PFU (from September 2022) and sales promotions and inflation, although they were controlled as planned

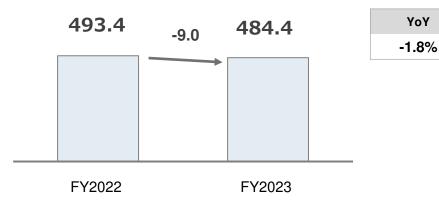

RICOH Digital Products

Earnings increased in H2 on end to production adjustments and rise in MFP production

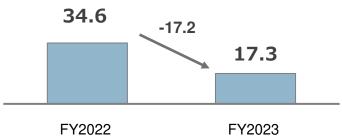

(Billions of yen)

Operating profit

(Billions of yen)

Part of PFU business portion allocated to Other was transferred to Ricoh Digital Products.
 The company accordingly retroactively applied figures for FY2022.

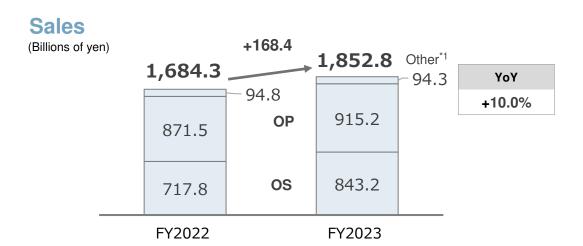

Overview

- MFP production rose in H2
- Were unable to fully recover from production adjustments and product mix changes in H1
- Structural reinforcement measures proceeded as expected
- Progressed with preparations to form joint venture with Toshiba
 Tec Corporation
 - ✓ Planning to establish ETRIA Co., LTD. on July 1, 2024
 - ✓ Took steps to smoothly integrate businesses and swiftly generate synergies
 - ✓ Anticipated benefits:
 - More efficient production and development structures
 - Common engine development
 - Lower procurement costs

RICOH Digital Services

Revenues and earnings were up, with Office Services driving profit growth

Overview

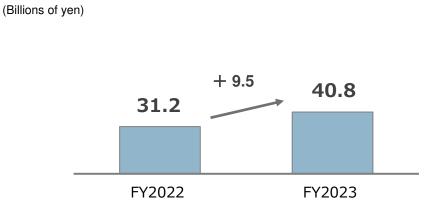

• Office Printing (Sales) Percentage increase after excluding forex impact Hardware: Unchanged from a year earlier, as revenues and unit sales were below expectations Non-hardware: Sales declined 1%, as expected

Office Services

Growth centered on IT services and application services, with Japan and Europe driving gains

Recurring revenues rose 17%, forming a revenue base

Operating profit

RICOH Digital Services Office Services Overview: Japan

Growth continued, with Scrum series leading the way

YoY +17.4%

Sales by Category (Billions of yen)

(excluding forex impact)

| F١ | /2023 | Sales | YoY |
|----|---|-------|------|
| Of | fice services business | 411.0 | +17% |
| | IT infrastructure (hardware and software) | 184.6 | +20% |
| | IT services (including maintenance and outsourcing) | 103.9 | +24% |
| | Application services (business-specific apps and in-house apps) | 98.4 | +11% |
| | Communication services | 19.6 | +4% |
| | Business Process Services | 4.3 | -6% |

- Scrum Packages (targeting small and medium-sized enterprises)
 - ✓ Benefited from customers that were yet to comply with implementation of the Electronic Bookkeeping Act and invoice system
 - ✓ Continued to do well owing to ongoing security-related needs and legal reforms such as for welfare and nursing care.
- Scrum Assets (targeting mid-sized companies)
 - ✓ Demand was robust for PC installation support, postinstallation maintenance and operation services and securityrelated services
- RICOH kintone plus
 - ✓ Number of kintone-certified people jumped 1.5-fold in one year on sales training efforts
 - ✓ Number of contracts expanded steadily

Scrum series performance

(Billions of yen)

| Total | 142.4 | 133% |
|----------------|-------|------|
| Scrum Assets | 83.0 | 144% |
| Scrum Packages | 59.4 | 120% |
| Sales | FY23 | YoY |

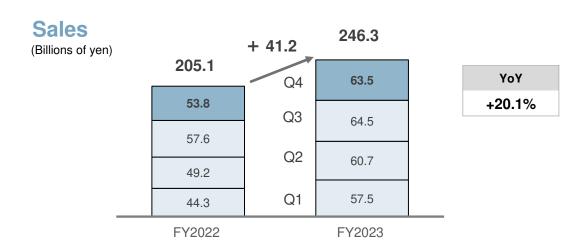

| Unit | FY23 | YoY |
|----------------|--------|------|
| Scrum Packages | 86,769 | 106% |

RICOH Digital Services Office Services Overview: Europe

Notwithstanding somewhat lackluster economic conditions, growth continued, primarily at acquired companies

© Ricoh

Sales by Category (Billions of yen)

(excluding forex impact)

| | (OXOIGGII I) | g forox impact) |
|--|--------------|-----------------|
| FY2023 | Sales | YoY |
| Office services business | 246.3 | +8% |
| IT infrastructure (hardware and software) | 91.1 | +11% |
| IT services (including maintenance and outsourcing) | 65.8 | +10% |
| Application service (business-specific apps and in-house apps) | 32.9 | +12% |
| Communication services | 31.4 | +3% |
| Business Process Services | 25.0 | -5% |

- Weak economy prompted entities in some regions to refrain from investments in PCs and other equipment, although demand was strong for digitalization and business process automation
- Experienced double-digit growth in IT services and application services
- Progressed in creating synergies among acquired companies and between those entities and existing sales companies
 - ✓ Sales of acquired companies jumped 34%
 - ✓ Secured Communication Services deals through collaboration between PureAV* of United Kingdom and Cenero of United States, a fruit of cross-border synergies in the Ricoh Group
- Acquired Natif.ai of Germany in April 2024
 - Provides AI-based advanced image recognition and handwriting optical character recognition technology
 - Offers automatic data extraction from diverse documents, including handwritten materials
 - ✓ Strengthening proposal capabilities in process automation area by combining offerings with DocuWare and other operations

RICOH Digital Services Office Services Overview: Americas

Continued to grow on communication services expansion and business process services earnings gain

Sales by Category (Billions of yen)

(excluding forex impact)

| | (excluding | j iorex impaci) |
|---|------------|-----------------|
| FY2023 | Sales | YoY |
| Office services business | 161.8 | +8% |
| IT infrastructure (hardware and software) | 8.1 | +9% |
| IT services (including maintenance and outsourcing) | 15.2 | -7% |
| Application services (business-specific apps and in-house apps) | 22.4 | +8% |
| Communication services | 16.6 | +85% |
| Business Process Services | 99.3 | +4% |

- Cenero delivered steady growth
 - ✓ Secured large deals by cross-selling to existing customers in Americas and expanded pipeline
 - ✓ Increased managed audiovisual services contracts, helping boost recurring revenues
- Sales growth in key sectors (healthcare, finance, retail, insurance, and manufacturing)
- In Business Process Services, bolstered services offerings and continued to improve profitability
 - ✓ Digitalized processes to streamline operations and control pricing
 - ✓ Divested eDiscovery business
- RICOH Kintone plus

© Ricoh

 Complemented inside sales by expanding sales channels on demand from highly interested dealers

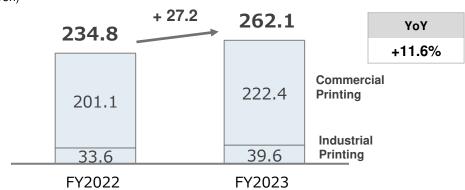

RICOH Graphic Communications

Increased revenues and earnings, generating growth in commercial and industrial printing

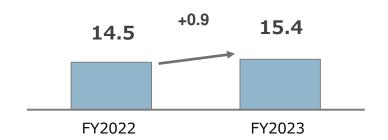

Sales

(Billions of yen)

Operating profit

(Billions of yen)

Overview

Commercial Printing

- · Hardware:
 - ✓ Although Q4 sales were lower than a year earlier, when backlogs were resolved, new product rollouts went well
- Non-hardware:
 - ✓ Benefited from accumulated recurring revenues for high-end models (with high print volumes) from previous fiscal year

Commercial Printing Sales YoY

Industrial Printing

- Inkjet heads:
 - ✓ Increased revenues by more than 20% on particularly strong demand growth in China

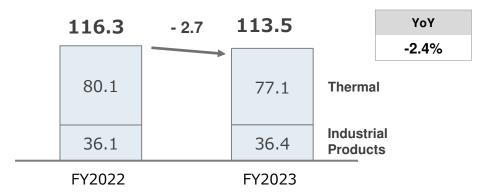

RICOH Industrial Solutions

Thermal business revenues and earnings dropped on customer inventory adjustments and weaker market conditions in Europe and United States

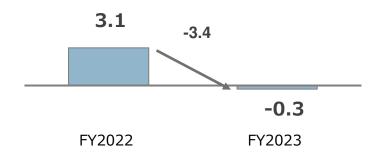

Sales

(Billions of yen)

Operating profit

(Billions of yen)

Overview

Thermal

- ✓ Revenues decreased owing to inventory adjustments and sluggish demand in Europe and United States
- Experienced delayed outcomes from efforts to expand sales, including by developing new sales channels
- Kept reducing costs and controlled pricing by streamlining purchasing and production
- Deployed new business models, providing total solutions through finished products, label-free thermal printing products and others
 - Established joint venture with Nakamoto Pack to plan, develop, and sell functional packaging materials and deploy packaging solutions

Industrial Products

- ✓ Optical business sales declined amid impact of economic slowdown in China on projector-related products.
- ✓ Planning to complete optical business transfer in first half of FY2024

Other

13

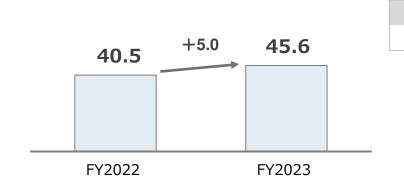

Exceeded revised forecasts through such efforts as controlling costs in new business areas

YoY

+12.4%

(Billions of yen)

Overview

Smart Vision

- Popular 360-degree camera models sold well, but high-end models fared poorly
- ✓ Focused on solutions to streamline business workflows and bolstered alliances

Drug discovery support

✓ Sales grew on favorable demand for research-stage contract manufacturing services

Inkjet-printed batteries

 Cultivating partners for battery materials printing and manufacturing business employing jetting technology

Cameras

✓ Again performed well, with earnings trending up

Operating profit

(Billions of yen)

[•]Part of PFU business portion allocated to Other was transferred to Ricoh Digital Products and Ricoh Digital Services.

Statement of Financial Position

- Total assets basically unchanged from a year earlier after excluding foreign exchange impact
- Inventories declined around ¥30 billion from close of previous fiscal year after excluding foreign exchange impact, reflecting inventory optimizations

Fiscal 2024 Outlook

Key Points of FY2024 Full-Term Forecasts

Results

- Projecting sales to increase to ¥2,500 billion and operating profit to rise to ¥70 billion
- Performance drivers to be MFP business recovery on rebuilding production and sales collaboration and ongoing Office Services growth
- In FY2024, will prioritize earnings structure reforms through Enterprise Value Improvement Project
- Except for some measures, will provide timely disclosure of costs and benefits based on institutional decisions

Key changes

- RICOH Digital Services: Revenues and earnings to rise
 - Office Services: Will prioritize recurring revenues, bolstering regional strategies and expanding software sales
 - Office Printing: MFP sales should be comparable with those of FY2023
- RICOH Digital Products: Revenues and earnings to increase
 - Stabilizing earnings through production and sales collaborations in response to demand fluctuations, focusing on launching ETRIA and taking steps to materialize synergies
- RICOH Graphic Communications: Higher revenues and earnings
 - Sales growth to continue from business expansion by leveraging new products and efforts to cultivate customers, offsetting higher development asset depreciation charges
- RICOH Industrial Solutions: Increasing revenues and earnings
 - Benefit from better market conditions and from steps taken to address downturn in previous fiscal year

Capital policies

- While undertaking ongoing structural reforms, improve capital returns over medium through long terms through measures from Enterprise Value Improvement Project that started in FY2023
- Maintain 50% total return ratio target
- Pay ¥38 in cash dividends per share in FY2024 (up ¥2) and strive to flexibly deliver additional returns

Key Indicator Outlooks for FY2024 (Billions of yen)

| | FY2023 | FY2024 Forecast | YoY | |

Quarterly Operating Profit

28

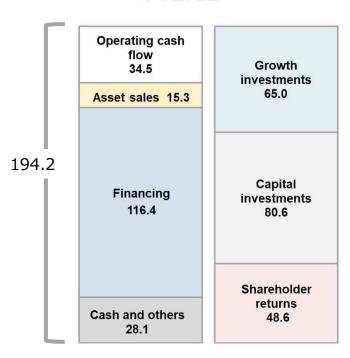

Cash Flow Allocations

Note: On cash outflow basis, in billions of yen

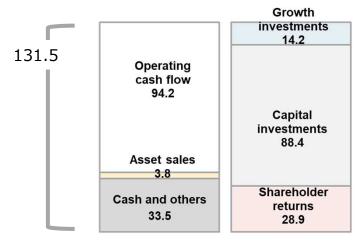

FY2022

- ✓ Operating cash flow declined owing to higher inventories and other factors
- ✓ Procured funding for PFU and other growth investments
- ✓ Used cash and time deposits and asset sales to repurchase ¥30 billion in shares

FY2023

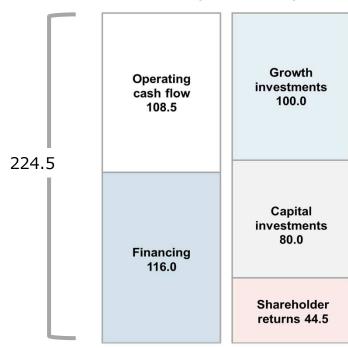

Forecasts

- ✓ Improve operating cash flow by optimizing higher inventories
- ✓ Allocate cash and time deposits and financing to growth investments at previous year's levels

Results

- ✓ Improved operating cash flows and optimized cash and time deposits by optimizing inventories
- ✓ Assessed and postponed some growth investments
- ✓ Repurchased ¥7.5 billion in shares with internal funds

FY2024(Forecast)

- Expecting operating cash flow to increase from completing production adjustments and boosting earnings
- ✓ Investing for growth and repurchasing ¥22.5 billion in shares
- ✓ Continuing to optimize cash and time deposits and employ financing

FY2025 forecasts

- ✓ Improve operating cash flows by driving growth
- ✓ Employ financing for growth investments in Office Services domain
- ✓ Explore increasing shareholder returns as needed
