- Ricoh Group Sustainability Report (Environment) has been independently verified by Bureau Veritas (BV) to ensure the reliability of the data gathering used in preparing the report.

NPO Color Universal Design Organization has certified this report as a color universal design due to its easy-to-see features based on careful color selection and various patterns.

This report is printed on paper certified by the Forest Stewardship Council (FSC)—an international labeling scheme that provides a credible guarantee that the raw materials used in the product come from an environmentally well-managed forest—and with vegetable ink for waterless printing (non-VOC ink) that does not contain volatile organic compounds.
