

Targeted Period

This report describes the sustainable environmental management activities of the Ricoh Group in fiscal 2010 (April 1, 2010 to March 31, 2011).

Environmental impact and environmental accounting data: fiscal 2010 data
Descriptions in articles and chronological tables: fiscal 2010 data (may include data from other periods)

The environmental impact and environmental accounting data are taken from the Ricoh Group's major business sites in five regions—Japan, the Americas, Europe, China, and the Asia-Pacific region—and as such, may differ from Ricoh Group data presented elsewhere in this report, e.g., in the organization profile. The Ricoh name refers to Ricoh Co., Ltd., not the Ricoh Group as a whole.

● Important Organizational Changes Made During the Report Period

There were no material changes in subsidiaries (i.e., there were no changes in subsidiaries which require a change in the scope of financial consolidation) during the report period.

● Past and Future Reports

The Ricoh Group has published annual environmental reports every year since 1997, which covered fiscal 1996. The 2011 Report in English was issued in October 2011 due to the delay in data collection affected by the Great East Japan Earthquake. The 2012 Report in English will be issued in September 2012.

Scope of Collection of Environmental Impact and Environmental Accounting Data

Environmental impact and environmental accounting data are collected from Ricoh's production and non-production sites and Ricoh Group companies that have established their own sustainable management systems.
