Notification Regarding Voluntary Adoption of International Financial Reporting Standards (IFRS)

At the today's meeting of the Board of Directors, it was resolved that Ricoh Company, Ltd. will voluntarily adopt the International Financial Reporting Standards ("IFRS") for the consolidated financial statements of annual report under Financial Instruments and Exchange Law from the fiscal year ending March 31, 2014, in place of the United States Generally Accepted Accounting Principles ("U.S.GAAP") previously adopted.

The consolidated financial statements for the purpose of flash report and annual report required under Company Act for the fiscal year ending March 31, 2014 will be prepared in accordance with U.S.GAAP.

We have decided on voluntary adoption of IFRS to the timing of the start of our new medium-term management plan on April 1, 2014, as we concluded that an implementation of IFRS as a global standard and unifying accounting standards across the group will enable the company to enhance accuracy for the management of the entire group.

Our anticipated schedule toward the voluntary adoption of IFRS at the end of FY2013 is as follows:

Fiscal year		Disclosure items	Accounting standards
FY2013 (Fiscal year ending March 31, 2014)	From 1st quarter to 3rd quarter	Quarterly report Quarterly securities report	U.S.GAAP
	Year end	Flash report, Annual report required under Company Act	U.S.GAAP
		Annual report under Financial Instruments and Exchange Law	IFRS
