

Ricoh listed in the Dow Jones Sustainability Indices (DJSI)

Scored Industry best in “Innovation Management” and “Talent Attraction & Retention”

Tokyo, September 25 2014, Ricoh today announced it has been listed in the Dow Jones Sustainability Indices (DJSI) for 2 years in a row, obtaining the industry best score in two categories ; “Innovation Management” and “Talent Attraction & Retention.”

DJSI, compiled by Dow Jones and RobecoSAM Group, was the first global sustainability indices to assess a company’s corporate sustainability from the economic, environmental, and social developments aspects. Its process is considered to be among the most rigorous in terms of the number of questions and depth of information requested.ⁱ

This year, DJSI reviewed 2,500 companies around the world, selecting only 319 companies to the DJSI World Index. Ricoh was recognized as a sustainability leader in the Computers & Peripherals and Office Electronics industry. In this industry 4 companies including Ricoh were selected out of 26 nominations. As well as being added to DJSI World, Ricoh was also included in the DJSI Asia/Pacific Index in 2014.
