

## **Ricoh Managed IT Services business in the United States acquired by Netrix**

*Focusing on growth areas in digital services to meet diversifying customer needs*

**TOKYO, November 5, 2025** – Ricoh Company, Ltd. today announced the sale of its Managed IT Services business in the United States to Netrix Global, a leading provider of cybersecurity and digital transformation services headquartered in Illinois, United States. The transfer is effective as of October 31, 2025.

### 1. Background

Ricoh leverages its strong customer base, touchpoints, and proprietary intellectual property to deliver digital services that help individuals unlock creativity at work. As part of its global strategy, Ricoh has identified Process Automation and Workplace Experience as two growth areas.

While IT Services remains a global focus for Ricoh worldwide, in the U.S. it continues to deliver digital services that automate end-to-end processes and workflows and improve the workplace experience, primarily to large enterprises. To further accelerate business growth in the U.S. market and strengthen its focus on the growth areas, Ricoh decided to divest its Managed IT Services business in the U.S. to Netrix Global.

### 2. Impact on Financial Results

This transaction is already reflected in Ricoh's consolidated financial forecast announced May 14, 2025. Therefore, there is no revision to the forecast as a result of this transaction.

### **About Netrix Global**

Netrix Global is an engineering-led IT consultant and managed service provider with over three decades of experience. Our team of over 600 technical engineers is dedicated to solving problems across all business functions, with expertise in IT strategy, cloud infrastructure, cybersecurity, application development, and data & AI.
