- Ricoh Group Sustainability Report (Environment) has been independently verified by Bureau Veritas (BV) to ensure the reliability of the data gathering used in preparing the report.

NPO Color Universal Design Organization has certified this report as a color universal design due to its easy-to-see features based on careful color selection and various patterns.

This report uses waterless printing, which requires no dampening water containing volatile organic compounds (VOCs).

Petroleum solvent-free vegetable oil ink was used to print this report.

This report is printed on FSC-certified paper (containing 40% post-consumer waste) that contains raw materials from well-managed forests certified by the Forest Stewardship Council (FSC).
